## Product Specification Sheet

Part # 23001

**Product** 8020 Spandex

**Description**

8020 Nylon Spandex is a very high-quality tricot (four-way stretch) fabric. It is 80% nylon and 20% spandex, offers great stretch and recovery, good strength and abrasion resistance, and long-term resistance to body acids. Most commonly used for cycling clothes, swimwear, dance costumes, or any activity that requires a stretch fabric. Our spandex has a wonderful memory and retains its shape.

**Key Features**
